Dear Ms. Sommers:

On March 14, 2019 the Awards Committee of Western Massachusetts Emergency Medical Services Committee voted to honor you with a Save Award for a call occurring on February 10, 2018 in Pittsfield.

It is because of people like yourself who have trained for countless hours and who undergo significant strain in completing your duties that the citizens of Western Massachusetts can feel safe and receive the high level of prehospital care that we count on.

It is with heartfelt thanks that we present you with this letter as a small token of our appreciation. Berkshire County EMS Committee will present you with a regional certificate recognizing your actions at the EMSCO 2019 EMS Awards Banquet on May 24, 2019, at the Pittsfield Elks in Pittsfield. For reservations, please contact Luanne Forgea at (413) 499-2527.

Sincerely,

Deborah Clapp
