

College Financing Plan

The College Financing Plan is a resource tool to help you better understand your educational costs and the financial aid that is available to meet those costs.

This form was created by the Department of Education (ED) and is available to help prospective students compare the Cost of Attendance (COA) and aid offers from multiple institutions in order to make an informed decision about where to attend school.

Please contact the Enrollment Services office at Fine Mortuary for your personalized College Financing Plan or email lhewey@fmc.edu
