

COST OF ATTENDANCE

What is Cost of Attendance?

The cost of attendance includes fixed costs such as tuition, fees, room & board and personal expenses such as books and supplies, transportation, off-campus room and board, and miscellaneous personal expenses.

The Department of Education requires that each university prepare budgets based on average costs of its students living at home with parents, on-campus housing(if applicable), and off-campus housing.

These cost of attendance budgets are adjusted depending on the number of semesters enrolled and the enrollment status (full time, 3/4-time, 1/2 time and less than 1/2 time). Your actual personal expenses will depend on your lifestyle.
